

Silver Star Mountain, South ridge route

From Vancouver, I-205

Proceed on Hwy. 14 heading east.

After passing by Camas, exit the roundabout in Washougal heading north on Washougal River Rd.

Proceed about 7 miles; turn left up Hughes Rd. Hughes Rd. winds around and changes names a time or two.

After about 3 miles, turn left onto Skamania Mines Rd. Stay right at the nearby junction.

Proceed down and then back up, about 3 miles to the junction of Rd. #1200. Go left.

A short distance further is a side road going up to the right; stay left.

Follow Rd. 1200 past the many side roads for about three more miles.

Pass by a small rock quarry on the left (target shooting debris likely evident), and then immediately reach a four way junction.

Go right to the nearby gate, and park. This is the trailhead.

From the Gorge areas

Proceed on Hwy. 14 heading west. Turn right on Salmon Falls Rd., left on Canyon Creek, right on Washougal River Rd., left on Skye; see map below.
