

# Trapper Creek loop

## From Vancouver

Head east on Hwy. 14. Pass through Stevenson, and then a few miles further, turn left to Carson. Proceed on Hwy 30, or the Wind River Rd., through Carson. At about 15 miles from Hwy. 14, and just past the fish hatchery, go straight ahead on Mineral Springs Rd. (The Wind River Rd. veers to the right).

A short distance later look for the well-signed Rd. 5401; turn right.

Follow Rd. 5401 about a half mile to its end and the trailhead.

(Note: there may be an alternative TH in the Mineral Springs campground. If used, this would knock about a mile or so off the hiking distance).

## From Portland

Head east on I-84. Cross the Columbia River at the Bridge of the Gods (\$1 toll). Immediately after crossing the bridge, turn right onto Hwy. 14. Follow the directions above to Carson and the trailhead.
